DETAILED ACTION

Response to Amendment

1. Claim 24 has been amended in the above-identified application. Claims 20-24 are pending.

The indicated allowability of claim 21 is withdrawn in view of the newly applied rejection. Any inconvenience to the Applicants is regretted.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 21 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 21 recites that the film material is discharged onto the surface of the drum, which is plated with chromium, to thereby form the polyvinyl alcohol film. However, it is unclear from the claims and the Specification how the use of a chromium plated drum materially manipulates the process. Appropriate amendment or clarification is required.
